Attention: Frankie

As per our telephone conversation last week, I believe this issue has been handled by a letter sent from Jacob Eaton, Chief of Staff, Montanans for Rehberg around 11/16/2012. Also responding to this complaint you should have received letters from the Becks, owners of the bus, detailing the bus expenditures.

Additional expenditures for the bus trip are further reported in our ensuing report.

I suggest this complaint be dismissed as I firmly believe we have correctly reported the in-kinds of the Becks and the accurate additional expenses of their bus for our campaign purposes.

Thank you for calling I appreciate your information.
